

Multibanking for CIC eLounge

For marketing purposes

Brief description

The multibanking solution from Bank CIC provides a clear overview of all banking relationships at a glance in CIC eLounge, including relationships with third-party banks. Try out our multibanking solution for yourself: it will make your daily business much simpler and you can carry out your payment transactions efficiently and conveniently in eLounge.

Suitability

Multibanking is mainly suitable for companies and entrepreneurs who want to carry out and manage their payment transactions centrally from a single location.

Your benefits

- Carry out payment transactions centrally from CIC eLounge on all bank accounts, including those held with third-party banks
- One login for all banking relationships
- Consolidated overview of assets
- Consolidated overview of all transaction data
- Easy, consolidated liquidity planning and overview
- Foreign payments using accounts with third-party banks via SEPA
- Account transfers to and from third-party banks
- Available 24/7
- Free of charge

What do I have to do as an eLounge client if I want to see my accounts at third-party banks?

An up-to-date EBICS agreement from your third-party bank is needed to use multibanking. Once all the registration formalities have been completed (third-party bank and Bank CIC), the next time you log in to eLounge and you have accepted the multibanking GTCs you will see all your accounts with the third-party bank. From then on you can enjoy the benefits of multibanking. Try it out for yourself

For more details on the registration process, go to the CIC eLounge help page.
