¹ Client relationship fee CHF 25 per quarter

Simple and transparent – a fee for all accounts

Bank CIC charges a simple and transparent flat-rate fee per client relationship for private clients instead of an account management fee. This client relationship fee includes the account management for all the transaction accounts held under one client relationship, including foreign currency accounts and other services. You can find details of this in the tariff schedule "Fees and conditions for private individuals". For clients domiciled abroad and with a business volume of less than CHF 100000 the rate of CHF 75 per quarter generally applies. A higher fee may be charged depending on the country in question. Your client advisor would be pleased to inform you about the individual countries.

² Offer for clients domiciled in Switzerland.

³ The interest rates published apply to clients domiciled in Switzerland. Negative interest can be charged regardless of the balance (this is applicable to CHF and EUR, except for savings account and retirement provision accounts). Conditions for clients domiciled abroad upon request. Debit interest on account overdrafts p.a.: CHF 9.000%, EUR 8.500%, GBP and USD 8.000%. Further terms and conditions on request.

⁴ Processing fees in the event of full repayment or partial withdrawal:

- for early withdrawal for self-occupied residential property: CHF 300 (if financing is obtained from Bank CIC, this charge will be waived)
- for early withdrawal as a result of definitive departure from Switzerland or if the withholding tax must be levied: CHF 300.
